# 48"

## 48" HEAVY DUTY RESTAURANT RANGE

The Heavy Duty Restaurant Range Series by American Range was designed for continuous rugged use and performance. All the latest technology is incorporated to give you the best value for your money. You wanted power! We give it to you with 32,000 BTU per open top burner, and 20,000 BTU per griddle burner. Something you normally see with institutional series ranges. All stainless steel external body is a standard fixture for longevity and easy cleaning. Quality, dependability and customer satisfaction make American Range the ultimate choice.

SHOWN WITH OPTIONAL CASTERS
